Date	Location	Name of commenter	Comment
12/11/25	Jubilee Community Centre	Cath Hall FDF	<i>I did go to the warm hub yesterday and gave leaflets out to about 25 people and I answered people's questions about our service and sat with them discussing benefits, benefit checks, befriending etc. Quite a few were interested in our service and said they would keep hold of our leaflet and if they can't use our service they will also let people they know about us. I moved from table to table as they come in at different times</i> <i>Thank you for letting us have the opportunity to talk to your group</i>
09/01/26	Meliden Community Centre	Rebecca Szekely Alzheimer's Society	<i>Yes, I did, had a nice chat to everyone!</i>
19/01/26	All locations	Tony O'Reilly Warm Wales	<i>Across the three events, we are currently providing direct support to seven homeowners with issues relating to their energy accounts and/or Welsh Water accounts. In addition, we collected contact details for a further ten individuals, who have been categorised as receiving light-touch support.</i> <i>While not all attendees were willing to have their details recorded, overall engagement was significantly higher. We estimate that approximately eighty individuals engaged with our table and listened to the advice being provided during the events.</i>
27/02/26	All locations	Joe Lloyd – Jones Age Cymru	<i>I found both locations were well attended and my visits to date have led to around 5 referrals into our project which offers</i>

			<i>community level advocacy for individuals over 50.</i> <i>I've found the opportunity to attend really useful as it has created opportunities for me to offer our support more broadly to these communities in addition to bettering our partnerships with organisations such as yourselves and the local police.</i> <i>I hope that is of some use to you and thanks again for hosting us.</i>
27/03/26	Meliden Community Centre	Deb Critchley Tenovous	<i>From the sessions, how many people were referred to your services? Possibly one, however, session sparked good engagement and increased knowledge. I would like to attend the next batch of sessions.</i>
27/03/2026	All locations	Charlotte Lynch Citizen's Advice	<i>The events are perfect for the clientele it is aimed at with a strong footfall in all locations. 1 individual seed advice from ourselves. We will try and attend on a regular basis when the Warm Hubs restart.</i>
31/03/26	Jubilee Community Centre, Meliden Community Centre	Tina Foulkes Working Denbighshire	<i>From the sessions, how many people were referred to your services?</i> <i>Not sure at this point. Most of the people who attended the sessions were older than working age. However, we gave out a lot of information to people who attended and they may pass it onto family and friends to whom it may be relevant to. I would like to be considered for the next sessions, however we cannot commit to them on a regular basis.</i>
