A festive poster for the Christmas Light Switch On event. The background is red. At the top, a string of white lights with blue and yellow bulbs hangs across the width. In the center top is the Prestatyn Town Council crest. To the right of the crest, the word 'FREE' is written in large, stylized letters that look like gingerbread cookies. Below the crest, the text 'PRESTATYN TOWN COUNCIL' is in white. The main title 'CHRISTMAS LIGHT SWITCH ON' is in large, bold, white letters with a black outline. Below the title, the date 'Friday 27th November' is written in a yellow cursive font. To the left of a central Christmas tree, text describes the activities. To the right, the time and location are given, followed by five yellow stars. The Christmas tree is green with white snow on its branches, decorated with yellow and blue lights and ornaments. It is surrounded by several strings of white lights. At the bottom, the council's address and phone number are listed.

Action Plan Development from First Meeting of Youth Forum

Group 1

1. More provision and funding. Need stakeholders around the table.
2. Information point for the children.
3. Information sessions quarterly to have a look at what is available.
4. Lobbying and using contacts at Town Council, Heads of Service and people who have power need to know. Information when passed on is either a nag or a moan but together we have a lot more power. Productive conversations need to be made.

Group 2

1. Develop relationship with the shopkeepers to improve perception of young people
2. More social spaces, somewhere that they can access out of school.
3. Sessions to get rage out
4. Sessions with food

Group 3

1. a new leisure centre with indoor sport, café and trampoline park.
2. Youth centre and youth café. More mountain bike places to go to.
3. More free things so that everyone can be involved. Small contributions can be met by most families, if families had more money they could contribute more.

Group 4

1. More police presence. Have young people who can be up to all sorts and then other children who are too afraid to go into town after school. We know the activities times are 3pm – 7pm. More of a preventative before it gets to crisis. GVP said that they should also be punished. They are looking at a visit to HMP Berwyn and take some young children with them and see what it is like.
2. 2. More referrals coming from teachers, professionals, anybody. Would be nice to see them coming in as it gives us the opportunity to help assist parents.
3. 3. Possible changes in the curriculum through the hobby that they enjoy.

Group 5

1. 1. Worried about communication between bodies statutory, third party and business.
2. Commotion of family life. It's the core group of friends to learn from to promote trust and respect.
3. Website with contact details for all the activities in the town. Most of the activities are free and we sometimes take a bucket to ask for donations.

Immediate Actions

1. Information sharing / collaborative sharing. Gracie can assist with this by giving the public the information. All details to Jo and can put the information on the website. JWE can put on our website.
2. Funding
3. Shopwatch.
