Dear neighbour,

We wanted to let you know that we'll soon be carrying out work near your property as part of the construction of a new accessible footbridge near Prestatyn station.

Preparatory activities are already underway and, to minimise disruption, all work carried out so far has taken place during daytime hours.

The next phase of the project involves constructing the foundations for the new bridge. Most of this work will be undertaken during the day. However, work within the central platform area will require a combination of daytime and occasional Saturday night shifts to safely complete critical activities.

These foundation works are scheduled to begin on **3 October 2026 and will continue through to December 2026.**

Typical timings are:

Shifts	Times	Dates
Daytime	7.30am – 6pm	Up to 7 days a week
Night work	10pm – 7am	Saturday nights

Some work will take place overnight when trains are not running to allow our teams to work safely. Please note that dates may be subject to change.

For the safety of the public and our workforce, nearby roads will be closed in phases during September to November. Diversions will be clearly signposted. Please see overleaf for details.

The nature of our work often means noise is unavoidable. We're aware we'll be working close to your home and will try to minimise this as much as possible, but we're sorry for disturbing you.

I hope this information is helpful but if you have any questions, there are several ways to contact us, by calling our dedicated 24-hour National Helpline on 03457 11 41 41, visiting www.networkrail.co.uk/contactus or scanning this QR code with your phone for more information about living by the railway.

Yours sincerely

Annwyl gymydog,

Hoffem roi gwybod ichi y byddwn ni'n gweithio cyn bo hir yn ymyl eich eiddo fel rhan o'r gwaith i adeiladu pont droed hygyrch newydd yng ngorsaf Prestatyn.

Mae'r gwaith paratoi eisoes yn mynd rhagddo. Er mwyn tarfu arnoch cyn lleied â phosibl, cafodd yr holl waith hyd yma ei wneud yn ystod y dydd.

Mae cam nesaf y prosiect yn cynnwys adeiladu sylfeini'r bont newydd a chaiff y rhan fwyaf ohono ei wneud yn ystod y dydd. Fodd bynnag, bydd angen inni weithio cyfuniad o shifftiau dydd a shifftiau nos Sadwrn achlysurol er mwyn cwblhau gwaith hanfodol yn ardal y platfform canolog.

Bwriedir dechrau ar y gwaith sylfaenol hwn ar **3 Hydref 2026 a bydd yn parhau hyd nes mis Rhagfyr 2026.**

Yr amserau arferol yw:

Shifftiau	Amserau	Dyddiadau
Yn ystod y dydd	7.30am – 6pm	Hyd at 7 diwrnod yr wythnos
Dros nos	10pm – 7am	Nosweithiau Sadwrn

Bydd rhywfaint o'r gwaith yn cael ei wneud dros nos pan na fydd y trenau'n rhedeg, er mwyn i'n timau allu gweithio'n ddiogel. Dylech nodi y gallai'r dyddiadau hyn newid.

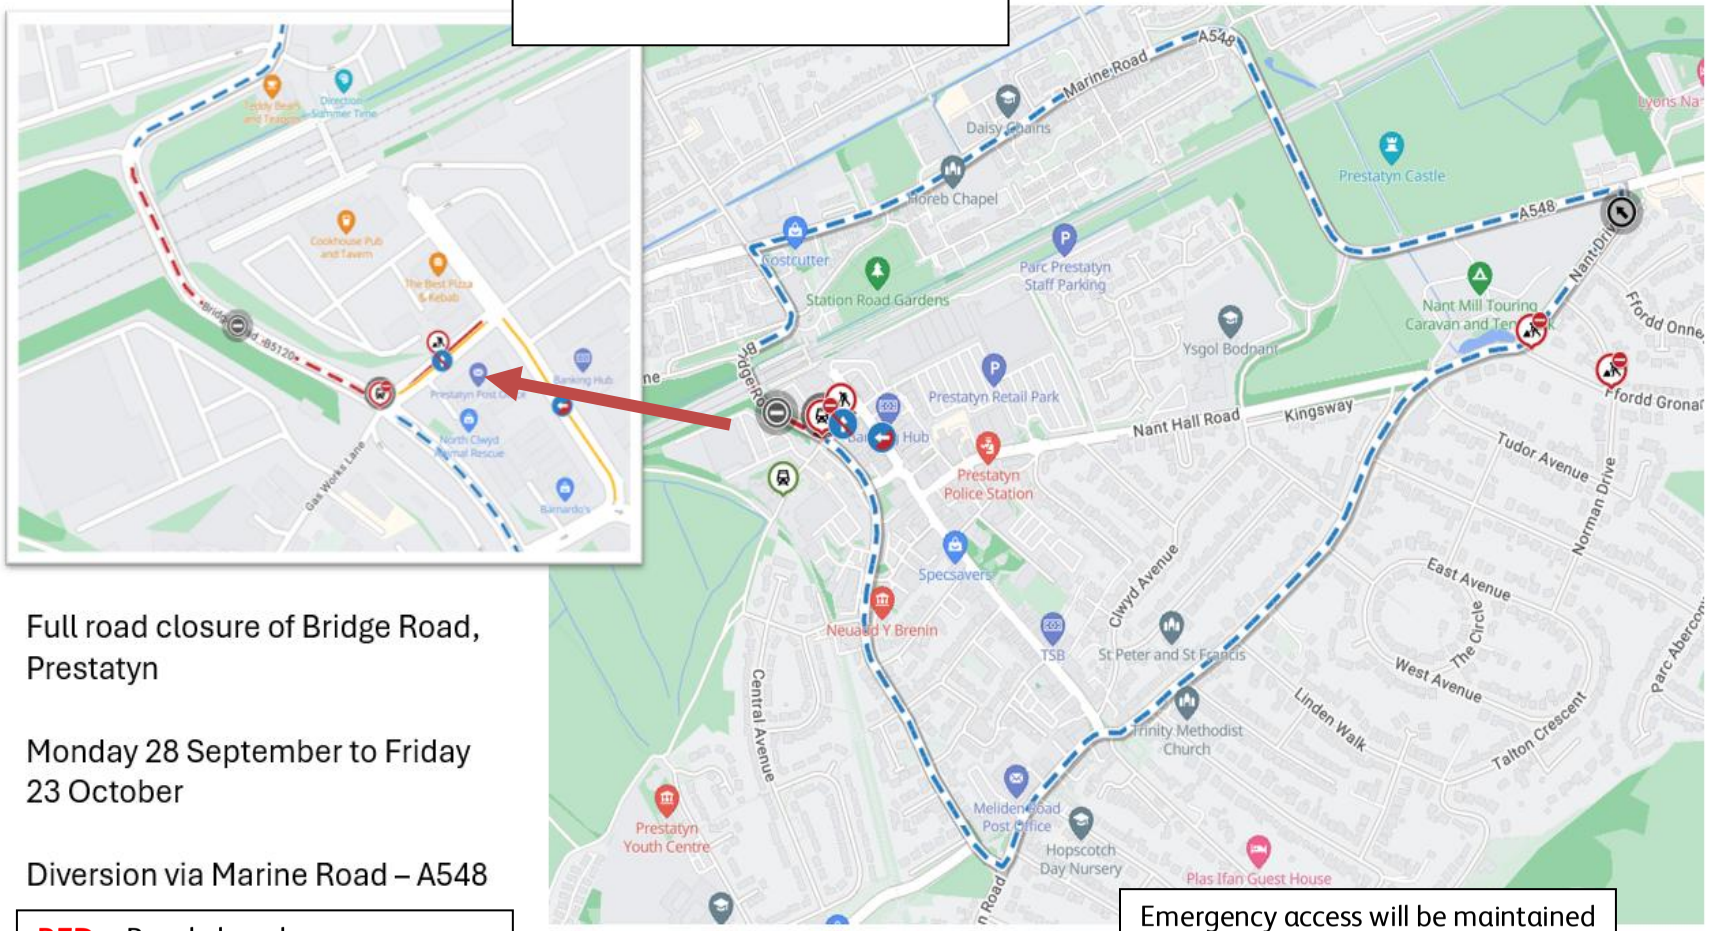

Er diogelwch y cyhoedd a'n gweithlu, bydd y ffyrdd cyfagos ar gau fesul cam rhwng mis Medi a mis Tachwedd. Bydd llwybrau dargyfeiriol ag arwyddion clir ar waith. Gweler trosodd am fanylion.

Mae natur ein gwaith yn golygu'n aml fod rhywfaint o sŵn yn anochel. Gwyddom y byddwn yn gweithio'n agos i'ch cartref a byddwn yn ceisio gwneud cyn lleied o sŵn ag sy'n bosibl, ond mae'n ddrwg gennym os byddwn yn tarfu arnoch chi.

Gobeithio bod y wybodaeth hon o gymorth. Os oes gennych unrhyw gwestiynau, mae sawl ffordd o gysylltu â ni. Gallwch ffonio ein Llinell Gymorth Genedlaethol 24 awr ar 03457 11 41 41, mynd i www.networkrail.co.uk/contactus neu sganio'r cod QR hwn gyda'ch ffôn i gael mwy o wybodaeth am fyw yn ymyl y rheilffordd.
